Performance Request Changes

One of BFC's biggest struggles is funding the year-to-year operation costs of maintaining, repairing, and storing our new and existing costumes. This financial challenge has led to a change for performance requests which is stated above. In order to continue sharing the spirit of cultural diversity by showcasing Mexico's many dances and states, BFC has begun requiring a minimum performance donation. We greatly appreciate your understanding and generosity. Every contribution makes a difference and directly supports our student-led efforts to preserve and promote Mexican heritage through dance.

Minimum Donations & Contribution Method

As mentioned, BFC requests a minimum donation for performances to help sustain our organization. We truly appreciate any additional contributions, and your generosity is greatly appreciated as it your support allows us to continue showcasing Mexican culture through traditional dance, and we're incredibly thankful for your generosity!
